Breathtaking... is your first thought when you see this villa inspired home on Rainbow Lake.

You won't be able to take your eyes off the soaring vaulted ceilings with a chandelier of over 70 natural elk horns. Glance around and discover a chef's dream... a complete gourmet kitchen with custom cabinetry, featuring 2 dishwashers, a subzero refrigerator, 2 cooling drawers, double oven, a warming drawer & gas range.

Timeless elegance is apparent with stone archways and fireplaces, reclaimed wood cabinetry in the great room, and top of the line granite. The master suite offers every creature comfort, with a double sided fireplace, home office, sitting area and incredible panoramic views. Your dreams have come true with a master bath featuring iridescent tile, master laundry & luxurious shower.

More than just double walk-in closets... a closet reminiscent of stepping into your own private boutique shop, with floor to ceiling
